On behalf of \_\_\_\_\_ the organization of which I am ahead, I am committing the said organization to great a financial support to Mr/Mrs/Miss \_\_\_\_\_ in the course of his/her post graduate training in \_\_\_\_\_. The financial support which is intended to cover tuition fees, the living and/or research expenses (underline that which is applicable) of the graduate student, will be maintained until the completion of the study. Moreover, I express the organization's agreement to refrain from obligating the graduate student to undertake extra work assignments, which may jeopardize his/her program of study, I am cognizant of the fact that the concrete realities of the country dictate that education in general, and postgraduate studies in particular, must be geared towards the solution of specific problems affecting the society. I am, therefore, aware that this specific training my organization is sponsoring must be geared towards fulfilling a definite national purpose. Accordingly, through my signature affixed below, I am committing my organization to maintain an appropriate position of employment for the student after the completion of his/her postgraduate studies.
